## SKILLS

### PROGRAMMING

C++ | JavaScript | HTML

Familiar:

Python

### LIBRARIES/TOOLS

React | Node.js | Express.js | Git/GitHub

Familiar:

AWS

### COURSES

Data Structure and Algorithm

Computer Network

Database Management System

## HOBBIES

- Dancing
- Playing Table Tennis
- Reading Self-Help books

## ACHIEVEMENTS

- General Secretary at Technovation (Technical Society of ABESEC)
- **Gold-Medalist** at **AKTU Zonal level** in Table Tennis

## EXPERIENCE

### CISCO | SECURITY CONSULTING ENGINEER

Aug 2023 – Present | Bangalore, India

- Proficient in configuring, troubleshooting, and optimizing VPN solutions such as Cisco AnyConnect, IPSEC, DMVPN, FlexVPN, GETVPN, and SSL VPN to ensure secure and efficient connectivity.
- Skilled in Python scripting and automation tools to streamline VPN deployments, enhance monitoring, and create custom solutions for improved operational efficiency.
- Experienced in providing technical support and consulting, resolving complex network security issues, and delivering tailored solutions to meet client requirements effectively.

### CISCO | TECHNICAL UNDERGRADUATE INTERN

Jan 2023 – Jun 2023 | Bangalore, India

- Contributed to Project Sherlock, Cisco's virtual assistant now deployed globally to streamline and enhance TAC case management.
- Designed and implemented scripting files to handle client escalations efficiently, ensuring seamless integration into support workflows.
- Developed a solid understanding of network security protocols and best practices.

### REMARK SKILL | FRONT-END DEVELOPER INTERN

Jan 2021 – March 2021 | Delhi, India

- Worked on ReactJS, CSS3, HTML5, and JavaScript to enhance functionality and user experience on web pages.
- Collaborated in weekly tech team meetings to analyze current and future projects and strategies for producing efficient work.

## PROJECTS

### TRAVELMAP | [Link](#)

ReactJS, NodeJS, Express, MapBox API

- A single page application built with MERN Stack from scratch (MongoDB + Mongoose, Express, React and NodeJs).
- In this application, you can pin your location and **share your reviews** with other users.
- The users can pin their favourite locations on the map to which the users can rate them, **write some description** about that place which other users can see.

### SALAHAH | [Link](#)

ReactJS, RTK query, NodeJS

- Salaah is a mini LinkedIn platform built solely for the students of ABES Engineering College, which helps students every year to connect with their alumni. Also, it provides all the required information about placements in a single place.

## CERTIFICATIONS

### CISCO CERTIFIED NETWORK ASSOCIATE | [Link](#)

April 2023 - June 2026
